Rajneesh works in a latex gloves factory

However, due to the lockdown measures it has to close

Meanwhile, Prisha, his newly wedded wife, does groceries at the local market

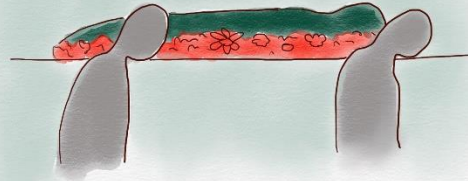

Vegetables are too expensive. there is only money for the basic things like rice and beans.

Rajneesh has always drank much, like many people in the slums, but the current circumstances worsen it. Prisha tries to say that he shouldn't spend so much money on it, but he tells her off.

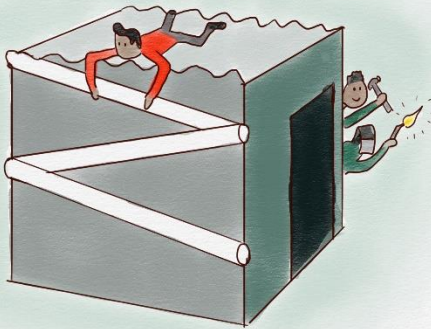

Due to the weak immune systems, Covid has a big impact

Rajneesh and Prisha decide to build the product, helped by their many skilled acquaintances

The harvest empowers Prisha, who in turn helps Rajneesh to stop drinking
